<sup>1</sup> Excludes commercial banks' branches abroad. With reference to Letter No. 2958 dated Farvardin 8, 1398 (March 28, 2019) by the CBI's Vice-Governor for Banking Supervision Affairs and based on the Approvals by the Money and Credit Council and the Supreme Council of Economic Coordination (the Heads of the Legislative, Executive, and Judicial bodies), data related to Bank Hekmat Iranian, Kosar Credit Institution, Mehr Eqtesad Bank, Ghavamin Bank, and Ansar Bank have been included in data of Bank Sepah as of Khordad 1399 (June 2020), Mordad 1400 (August 2021), Mehr 1400 (October 2021), Azar 1400 (December 2021), and Bahman 1400 (February 2022), respectively.

<sup>2</sup> Based on the stipulation of the CBI's General Meeting of 1401 (2022/23) regarding the revaluation of foreign assets (based on their quality) and liabilities, the financial statements on the assets and liabilities of the CBI for 1402 (2023/24) were revised at end-1402 (March 2024). Meanwhile, to ensure consistency with the international standards, the CBI has revised the classification of monetary base components in line with the IMF's Monetary and Financial Statistics Manual and Compilation Guide (MFSMCG, 2016) and the principle of economic territory. Accordingly, the figures related to the monetary base and its components have been revised as of Esfand 1399 (March 2021).

<sup>3</sup> In line with the revision of the monetary base components, as of Esfand 1399 (March 2021) onward, the sight deposits of banks with the CBI include only deposits in Iranian rials and those in foreign exchange have been reclassified as "other liabilities of the CBI".

<sup>1</sup> Components may not sum to total because of rounding.

<sup>2</sup> Monthly and quarterly data include the revolving funds of provinces, salary and fringe benefits of employees in provinces, and expenses. The discrepancy between the figure for the operating balance with the "revenues" and "expenses" figures is due to the fact that as of 1401, the operating balance has been calculated with the inclusion of the amount of payment on legal commitments, which has not been mentioned in this table.

<sup>3</sup> Monthly and quarterly data include the revolving fund (credits for the acquisition of non-financial assets).
